

Citizenship/Habits of Learning

Responsibility	Prepares and is ready to go with any supplies needed. Is focused, attentive, and engaged. Organizes, prioritizes, and meets deadlines. Accepts consequences.
Independence	Begins and stays on tasks without adult prompting. Rereads directions, checks resources before asking for help. Sets and follows through on goals related to learning. Uses feedback to reflect on personal and academic learning and growth.
Perseverance	Asks questions and asks for help as needed. Stays focused on challenges at hand. Revises work as needed. Tries new approaches; is not afraid of making mistakes or of initial failure.
Respect	Follows class norms, expectations and rules. Reaches out with kind gestures and words to greet, acknowledge, help, and invite others to join the group. Words and actions have positive impact on others.
Collaboration	Contributes ideas in group or class settings. Is inclusive, fair, and patient in group discussions. Actively listens to other viewpoints and finds ways to incorporate other ideas. Works well in teams: listens, asks questions, gives and receives feedback to forward the task.
